

PreCalculus 2020

AGENDA 6B – SOLVING TRIG EQUATIONS

Friday February 7	Solving Polynomial Equations Review Puzzle Worksheets
Monday February 10	Unit Circle and Trig Values Fill in the Unit Circle <u>Complete:</u> Radian Measure and Trigonometric Functions
Tuesday February 11	Solving Basic Trig Equations (Notes) <u>Complete:</u> Solving Basic Trig Equations WS
Wednesday (No X-block) February 12	Solving Trig Equations – including factoring (Notes) <u>Complete:</u> Solving Trig Equations with Factoring WS
Thursday (Pep Rally/no AO) February 13	Solving Trig Equations Solving Trig Equations WS 1 (#1 – 18)
Friday (X-block) February 14	QUIZ 1 – Solving Trig Equations If you are going to be absent Friday, plan to take the quiz Thursday!
February 17 – 21	Winter Break
Monday February 24	Solving Trig Equations Review Undefined Trig Values on the Unit Circle
Tuesday February 25	Solving Trig Equations – extraneous solutions (Notes) <u>Complete:</u> Solving Trig Equations with Extraneous Solutions WS
Wednesday February 26	Solving Trig Equations – Pythagorean substitutions (Notes) <u>Complete:</u> Solving More Trig Equations WS ODDS
Thursday February 27	Solving Trig Equations – All of the above! Warm-up: Solving Equations <u>Complete:</u> Solving More Trig Equations WS EVENES
Friday February 28	QUIZ 2 – Solving Trig Equations <u>Complete:</u> Solving Trig Equations WS 2
Monday March 2	Solving Trig Equations with Multiple Angles (Notes) <u>Complete:</u> Solving Trig Equations with Multiple Angles WS
Tuesday March 3	More Practice with Multiple Angles VersaTiles Matching WS <u>Complete:</u> Multiple Angle Practice Exercises
Wednesday March 4	Review Practice Quiz <u>Complete:</u> Solving Trig Equations Review WS
Thursday March 5	TEST – Solving All Trig Equations
